

# Alexandra Biron

## **Alexandra Biron (She/Her)**

*Senior Manager, Deloitte Indigenous*

Alexandra Biron is currently Senior Manager of Deloitte Indigenous and through her role is leading the execution of Deloitte Canada's [Reconciliation Action Plan](#) based on guiding commitments and targets around reconciliation. Alexandra holds a BBA from Wilfrid Laurier University with a major in Business Sustainability and has a great passion for social sustainability. Alexandra also holds a Graduate Diploma in Social Responsibility and Sustainability from the University of Toronto where she was awarded the President's Award for her capstone project: Deloitte's [Indigenous Impact Report](#). Alexandra has a decade of experience working in the nonprofit and private sector in community investment, employee and stakeholder management, strategic planning and program development.

Alexandra is proud of her Anishinaabe/Ojibway identity and is committed to furthering both reconciliation and innovation in support of making an impact in Canada for Indigenous and non-Indigenous peoples.
