

Sandra Fossella, Client & Community Relationship Officer, Musqueam Capital Corp

Sandra Fossella is a proud member of the Musqueam First Nations. She serves as the Community & Client Relationship Officer for the Musqueam Capital Corporation (MCC) Business Development team. Sandra works with the many MCC Affiliated companies, including Kiewit, Hall Constructors, PCL, Graham, connecting them to the Musqueam community, and ensuring long-term mutually beneficial relationships. Sandra facilitates contracting opportunities and provides advisory services to Musqueam entrepreneurs looking to start or grow their businesses and build their capacity. She also oversees major project files including the Broadway Subway Rapid Transit Line, business aspects to the Musqueam-BC Hydro Relationship Agreement, and the Surrey to Langley Skytrain Project. Sandra takes great pride in facilitating opportunities to grow the Musqueam community capacity, and to foster greater working relationships with industry partners.
